

Hello All, **FIRST ANNUAL
CARS FOR CRITTERS**

This is for a car show we are supporting this Saturday at the Civic Center here in Grove. It's Free, but donations are graciously accepted. I think the following explains what is going on. There is only room for about 50 cars inside and the overflow will be outside in the parking lot. Now that the weather has cooled off, it's going to be a gorgeous day so come help support the Humane Society. Oh, did I mention it's FREE along with FREE food. The Endless Memories cruise-in will be across the street next to Charlie's Chicken in the evening so plan to attend that after the car show. It'll be a full day of Car Fun!! Hope to see you all there!! Please share with your other car friends who might be able to attend.
Rich

In conjunction with the incredibly successful "Hoe Down" benefitting our furry friends in Grove Oklahoma.

The Humane Society of Grove and Grand Lake is proud to present this truly unique event.

August 18th

Grove Civic Center, Grove Oklahoma 1-5 pm

The Humane Society is pleased to present, **FREE** of charge, the First Annual "Cars for Critters" Car show in Grove Oklahoma. This is an **INDOOR** car show that will allow visitors to view some of the most incredible cars in the world. Come bring the family to view everything from European Exotics such as Lamborghinis, Porsches and Ferraris, Classic American cars, complete customs cars, brand new American supercars and the ever popular American Muscle cars. The Grove Civic Center is a perfect location. It is able to provide us an **INDOOR** facility safe from the weather, with more than ample security of being in a locked building with security on site. The cars can remain overnight as well, if necessary. This is going to be the first time in the area where such magnificent vehicles will be on display for viewing, picture taking and even rides in some of the cars you can only dream about. If you ever wanted to get up close and personal with some of the greatest cars in the world, this could be the opportunity of a lifetime. This event is **FREE** for everyone! Donations to the Humane Society are encouraged. Hot Dogs and Bratwurst along with side dishes and drinks will also be provided **FREE** of charge by my company, The Preserve at Grand Lake. Our furry friends need our help. **The Humane Society is a "no kill" shelter.** They provide non-stop, tireless effort to further help our local animal population, ultimately placing hundreds of animals with loving homes. They require events like this to help with the incredible expenses associated with the shelter to save the lives of innocent animals throughout the area. Several local businesses and people have offered countless donations and hours to this event along with others they hold each year. I am hoping the individuals fortunate enough to be able to own these vehicles will be able to bring down their car(s) for kids of all ages to view. As car guys, we all remember the first glimpse of a Corvette or Ferrari we had, and we were all hooked, "Someday I will own

one of those cars!" Whether we were watching The Dukes of Hazard, Magnum PI, Smokey and The Bandit, James Bond or The Cannonball Run Movies, we were all hooked as kids and now we have the chance to offer our beautiful cars, and our stories to the local community at Grand Lake and we know that several kids will see our cars at this event and be hooked, like we were.

As owners, we all struggle with places to congregate and talk shop with other owners. Grand Lake has some of the best roads in the area to cruise and this event will provide an INDOOR, secure area for us to remain immune to the weather and have our vehicles we worked hard to obtain, build, customize and maintain on display for other enthusiasts to enjoy.

All unique vehicles are welcome, if it's cool, it's welcome. From the most expensive exotics, to American Classics, to Japanese tuners, to brand new Corvettes, Mustangs and Camaros. I have several commitments already, and we need more.

We are lucky to have this site for the event. The Hoe Down event that same evening will offer dinner and a local band for entertainment. You are more than welcome to spend the night and attend the event. Tickets are 30\$. There are several hotels in the area, some within walking distance. Did I mention the wonderful roads in the area????

As a local Grand Lake resident, businessman, car enthusiast and owner, I am hoping to give back to the community. The Humane Society is severely underfunded and desperate to expand their facilities to continue to provide happy, healthy animals for decades to come with larger, more sophisticated facilities.

Your help and assistance is greatly appreciated. I welcome any questions you have. If you would like to attend, please feel free to email me with any questions: Jim Barbuto at JimBarbuto@gmail.com, 817-909-5943. Or if you would like to register, please fill out the information below and return. Thank You.
